

# CAUGHT UP

WHERE SISTERHOOD RUNS DEEP, LOVE RUNS WILD,  
AND CHOOSING YOURSELF TAKES GUTS.

**Caught Up** is a soulful, smart, and emotionally rich debut novel that follows Skylar Madison – a proud Brooklyn powerhouse with the corner office, the curated wardrobe, and a sisterhood of ride-or-die friends. But beneath her polished exterior lies a woman holding tightly to control, especially when it comes to love.

In her forties and thriving, Skylar is suddenly faced with two paths: Titus, a brilliant, grounded Morehouse man with a past she didn't plan for – and Sterling, the charming ex who fits her checklist but never made her feel like the one. As Skylar untangles her heart, confronts old wounds, and redefines success, she must decide what it means to truly choose herself.

Set against the backdrop of Brooklyn's rhythm and richness, **Caught Up** is a celebration of sisterhood, healing, and the beauty of Black and Brown love.

## BEHIND THE PEN

Bryant Lee is a storyteller rooted in legacy, celebrating the beauty, struggles, and soul of Black and Brown lives. With a pen guided by memory and melody, Bryant Lee honors the voices that came before and the communities that continue to inspire. Through vivid, heart-stirring prose, she carries forward a tradition of storytelling as rich and enduring as the culture it reflects.

## WHY BOOK CLUBS WILL LOVE CAUGHT UP

- A deeply relatable, grown-woman protagonist navigating love, identity, and second chances – perfect for rich, honest conversations.
- Set in Brooklyn, blending heart, culture, and soul – a vivid backdrop that invites readers into the rhythm of a city and a sisterhood.
- Centers Black and Brown experiences, celebrating the complexity, beauty, and depth of community, heritage, and healing.
- Filled with humor, heartbreak, and hope – balancing witty banter with moments that linger and invite reflection.
- Explores sisterhood, boundaries, the messiness of love, and the complexities of familial relationships – ideal for unpacking the real-life themes many women face in their 30s, 40s, and beyond.
- Written by debut author Bryant Lee, a bold new voice in contemporary fiction rooted in legacy, soul, and storytelling that resonates across generations.
- Fans of Kennedy Ryan, Tia Williams, Elizabeth Acevedo, and Jasmine Guillory will feel right at home.
