

CAUGHT UP

WHERE SISTERHOOD RUNS DEEP, LOVE RUNS WILD,
AND CHOOSING YOURSELF TAKES GUTS.

Caught Up is a soulful, smart, and emotionally rich debut novel that follows Skylar Madison – a proud Brooklyn powerhouse with the corner office, the curated wardrobe, and a sisterhood of ride-or-die friends. But beneath her polished exterior lies a woman holding tightly to control, especially when it comes to love.

In her forties and thriving, Skylar is suddenly faced with two paths: Titus, a brilliant, grounded Morehouse man with a past she didn't plan for – and Sterling, the charming ex who fits her checklist but never made her feel like the one. As Skylar untangles her heart, confronts old wounds, and redefines success, she must decide what it means to truly choose herself.

Set against the backdrop of Brooklyn's rhythm and richness, **Caught Up** is a celebration of sisterhood, healing, and the beauty of Black and Brown love.

WHY INDIE BOOKSTORES WILL LOVE *CAUGHT UP*

- A relatable, refreshingly mature protagonist navigating modern love, self-discovery, and friendship
- A Brooklyn-based setting filled with heart, style, and soul – perfect for readers who love stories with a strong sense of place
- Celebrates Black and Brown voices, love, and legacy
- Balances wit, warmth, and vulnerability with sharp, soulful storytelling
- A fresh voice in contemporary fiction with cross-generational appeal
- Ideal for book clubs, community reads, and fans of Kennedy Ryan, Tia Williams, Elizabeth Acevedo, and Jasmine Guillory

BEHIND THE PEN

Bryant Lee is a storyteller rooted in legacy, celebrating the beauty, struggles, and soul of Black and Brown lives. With a pen guided by memory and melody, Bryant Lee honors the voices that came before and the communities that continue to inspire. Through vivid, heart-stirring prose, she carries forward a tradition of storytelling as rich and enduring as the culture it reflects.
